

Uniform and Essentials

Our curriculum is energetic and physical with lots of outdoor learning and experiences so our uniform has been designed to take this into account. Your child will be digging, climbing, running, building and playing in their uniform so it's important that it is comfortable. For our everyday uniform we wear (all year)...

- Black tracksuit bottoms/joggers or durable trousers.
- Green school logo sweatshirt or cardigan
- White polo shirt with school logo or plain white polo shirt.
- Black shoes: for safety reasons these **MUST** cover the whole foot

Accessories and hair

Long hair must be tied back securely every day for school.

Jewellery and watches are not permitted (if you have a religious reason please contact the Headteacher). No nail varnish please.

Children should not wear earrings to school. If this can not be avoided please make sure they are small stud earrings. Earrings will need surgical tape over them in case they catch when your child is climbing or playing on the equipment.

Book Bags

You will also need a book bag which will go between home and school every day. These can be purchased through school.

Your child will also need (to be kept in school)

- A pair of wellies
- A raincoat/Kagul with a hood
- An art apron or old shirt with the sleeves cut off

Winter wear:

- Hat and gloves
- Warmer wellies or boots

Summer Wear

- Sun hat
- Suncream applied before school

A water bottle with their name on will need to be brought every day – but please don't put it in their book bag!

Please name everything that belongs to your child. Name labels are best as even laundry markers or Sharpies eventually wash out.

Please help your child to get ready for school by practicing putting on, doing up, undoing and taking off their school uniform, shoes and coat independently.

Shoes with buckles or laces are difficult for children so we recommend Velcro fastenings.
